## Instructions

- **Submit copies (front and back) of alien's original documentation.**
- **Make certain a *complete return address*** has been entered in the "From" portion of the form.
- The Alien Registration Number ("A" Number) is the letter "A" followed by a series of seven or eight digits. The number found on Form I-94 may also be recorded in this block. (Check the front and back of the Form I-94 document. If the "A" Number appears, record that number when requesting information instead of the longer admission number because the "A" Number refers to the most integral record available.)
- If Form G-845 is submitted without copies of applicant's original documentation, it will be returned to the submitting agency without any action taken.
- Address this verification request to the local office of the U.S. Citizenship and Immigration Services.
